Date: \_\_\_\_\_

To SAT Testing Administration:

\_\_\_\_\_ is a student at Forest Lake Academy, a Seventh-day Adventist HS. According to Exodus 20:8-11, the Bible teaches that Saturday is the holy Sabbath observed as a day of communion with the Creator & rest from school, work and secular activities.

Therefore, due to religious beliefs, the student is unable to take any examinations, including the SAT on Saturdays. We are kindly requesting permission to test on Sunday instead of Saturday. Thank you for your consideration.

Sincerely,

Pastor Andrew Moreno
